### Chapter 1 by Lex

So first i woke up this morning covered in sticky sweat, my AC broke so i drowned myself in my sweat last night, then on my way out of the shower and to my room, my roommate saw me struggling to put my shirt on which was embarrassing because we all know shes got a thing for me. Then on my way to work my car broke down and i had to stand in the rain waiting for a tow. Then when i finally got to work i was so wet that my boss sent me back home and told me to get a ride next time. Once i made it back home, i tripped up the stairs, left my phone in my pants when i dried them, cut myself cooking, and tripped my other roommate down the stairs.

I'm having the best day of my life so far...
